This book is part of the Inuutsiarniq Reading Series, developed by the Department of Health in Nunavut. The Inuutsiarniq Reading Series is a unique, Nunavut-developed literacy initiative that infuses Northern values of healthy living and self-care into a culturally appropriate reading program.

The Inuutsiarniq Reading Series was developed to support the reading level guidelines outlined in the Department of Education's Inuktut guided reading program, Uqalimaariuqsaniq. Uqalimaariuqsaniq is a sequential and progressive Inuktut reading program that supports students in their development from emergent to fluent readers.

Healthy students are better learners and become healthy adults. For more information, visit [www.gov.nu.ca/health](http://www.gov.nu.ca/health) and your local Health Centre.
