Uliaq's Amazing Animals: Ringed Seal

Purpose

The activities at this literacy centre are connected to the video "ᐅᓕᐅᓐ ᓂᓐᓂᓐᓂᓐᓂᓐ ᓕᓕᐅᓐᓂᓐᓂᓐ: ᓂᓐᓂᓐ" ("Uliaq's Amazing Animals: Ringed Seal"), one of six different wildlife videos. This literacy centre is designed for each student to visit it **three different times**, because there are **three different activities** at this centre connected to the video. Unless otherwise indicated, each activity should be completed independently.

Before a student completes an activity at this centre, he or she should watch the video (even if the students have already watched the video as a class). This means that each student will watch the video at least three times, because there are three activities for each video.

Students draw on what they learn from watching the video "ᐅᓕᐅᓐ ᓂᓐᓂᓐᓂᓐᓂᓐ ᓕᓕᐅᓐᓂᓐᓂᓐ: ᓂᓐᓂᓐ" ("Uliaq's Amazing Animals: Ringed Seal") to complete a variety of science-themed literacy activities. The activities support reading, writing, listening, and speaking development through stage-appropriate scientific inquiry.
